SUSPENSION SYSTEM.

ALPHA ONE™

CONVERSION KIT

CONVERT YOUR TWIN-RAIL M 8000 SNOWMOBILE TO THE EXCLUSIVE ALPHA ONE SINGLE-BEAM SUSPENSION SYSTEM.

Includes 3.0" Power Claw track and a 3.5 pitch track drive assembly.

Includes a black skid frame assembly without shocks.

Re-use existing shocks except '18-'19 Mountain Cat and M Hard Core models with a QS3 front-arm shock. These models will also require a new front-arm shock. Order the coil-spring shock components from an M Sno Pro model or 3704-278 Float QS3 shock.
